GEORGETTE SATO

SEPTEMBER 24 (legislative day, SEPTEMBER 19), 1951.—Ordered to be printed

Mr. McCARRAN, from the Committee on the Judiciary, submitted the following

REPORT

[To accompany S. 1499]

The Committee on the Judiciary, to which was referred the bill (S. 1499) for the relief of Georgette Sato, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

PURPOSE OF THE BILL

The purpose of the bill is to waive the racial barrier to admission into the United States for a minor half-Japanese child in the custody of Sgt. and Mrs. John H. Williams, who are citizens of the United States. The child would be considered to be a nonquota immigrant which is the status normally enjoyed by the alien minor children of citizens of the United States.

STATEMENT OF FACTS

The beneficiary of the bill was born in Japan on May 22, 1950, of a Japanese mother and an American soldier. The child is presently in the custody of Sgt. and Mrs. John H. Williams who are citizens of the United States. Sergeant Williams is on duty with our Armed Forces in Japan and he and Mrs. Williams have received the child from an orphanage in Japan.

A letter dated September 12, 1951, to the chairman of the Senate Committee on the Judiciary from the Deputy Attorney General with reference to the case reads as follows:

SEPTEMBER 12, 1951.

HON. PAT McCARRAN,
*Chairman, Committee on the Judiciary,
United States Senate, Washington, D. C.*

MY DEAR SENATOR: This is in response to your request for the views of the Department of Justice relative to the bill (S. 1499) for the relief of Georgette Sato, an alien.

The bill would provide that, solely for the purpose of sections 4 (a) and 9 of the Immigration Act of 1924, as amended, and notwithstanding any provisions excluding from admission to the United States persons of races ineligible to citizenship, Georgette Sato, a minor half-Japanese child, shall be considered the alien natural-born child of Sergeant and Mrs. John H. Williams, citizens of the United States.

The files of the Immigration and Naturalization Service of this Department disclose that the alien, a native and citizen of Japan, who is racially 50-percent Japanese, was born on May 22, 1950. She is presently residing in Japan with her prospective adoptive parents, Sergeant and Mrs. John H. Williams, citizens of the United States. The alien's father was a Caucasian by race and an American soldier who was killed in action in the Korean theater of war while a member of the Twenty-first Infantry Regiment of the United States Army. Her mother is Japanese and, according to the record, placed the child in an orphanage in Kyushu, Japan. Sergeant Williams stated that he entered the military service at Pittsburgh, Pa., on May 1, 1941, was sent overseas to Japan in 1946, and returned to the United States on reenlistment leave in April 1949. He further stated that he obtained a divorce from his first wife on May 14, 1949, and married Mrs. Eva B. Robinson on June 4, 1949, at Cincinnati, Ohio. He advised that he returned to Japan on July 19, 1949, and that his wife and minor stepdaughter arrived in Japan on November 14, 1949. Sergeant Williams stated that his wife was born on April 2, 1910, at Cincinnati, Ohio.

The alien, being racially 50 percent Japanese, is ineligible for citizenship under section 303 of the Nationality Act of 1940, and is therefore, inadmissible to the United States for permanent residence under section 13 (c) of the Immigration Act of 1924. In the absence of special legislation Sergeant and Mrs. Robinson will be unable to bring the child with them when they return to the United States.

Whether, under the circumstances in this case, the general provisions of the immigration laws should be waived presents a question of legislative policy concerning which the Department of Justice prefers not to make any recommendation.

Yours sincerely,

Deputy Attorney General.

Senator Robert A. Taft, the author of the bill, has submitted the following information in support of the bill:

We, Sisters Stanislaus, Agnes, Bernadette, and Clotilde, members of the Order of the Infant Jesus, and of the Tenshien Orphanage at Kumamoto, Kyushu, Japan, do make the following statement:

Georgette Sato, a former ward of the Tenshien Orphanage, was brought to the orphanage by her mother and was placed in our care. The mother of the baby would not reveal the name of the baby's father. However, she did say that the baby's father was a member of the United States Army, stationed at Camp Wood, Kumamoto, Kyushu, Japan, with the Twenty-first Infantry Regiment, Twenty-fourth Infantry Division.

To the best of our knowledge and belief, the father of the above child is a member of the Caucasian race.
